

## Solar plus 160 DIGIT

Cold water high-pressure cleaners

DIGITAL CONTROL SYSTEM

AUTOMATIC STOP

### Standard equipment:

6.001.0155

6.002.0340

6.002.0637

**VARIOJET**

6.002.0346

6.002.0371

4.018.0154

8 m

6.002.0669

### Equipped with:

- Three pistons, aluminium pump head with built-in by-pass valve
- Automatic Stop System
- **Digital Control System**
- Telescopic handle
- Accessory storage facility
- Standard set of accessories
- Adjustable Foam System
- Hose-reel
- Turbo lance
- High pressure hose / pump quick coupling
- Handle for horizontal transport and large wheels with rubber tread

### Solar plus 160 DIGIT

Code	8.113.0016C
Pressure - bar max	160
Delivery rate - l/h max	510
Absorber power - W	2500
Voltage	230 V ~ 50 Hz
Packaging dimension/Weight	37x37x67 cm/13 Kg
Machine dimension	-

# DIGITAL CONTROL SYSTEM

 **Power level indicator**

Visual indication of the washing power level used

 **ON/OFF switch with soft start system**

I / O switch, it lights up when pressed
